RABBI'S REPORT

Congregation Shaaray Tefila is delighted to introduce **our new Student Rabbi, Joey Glick**, who began Zooming services with us in June! We are all eager to meet him in person as our regular synagogue services resume.

Joey Glick is a proud native of Pittsburgh, PA, an alum of Colorado College and the Graduate Theological Union, and a current 4th-year rabbinical student at Hebrew College. Before starting rabbinical school, Joey served as the

assistant chaplain and director of Jewish life at Vassar College.

Joey is passionate about inter-religious dialogue, old time fiddle music, and his hometown Pittsburgh Pirates.

Let's all give Joey our great Shaaray Tefila welcome as he comes onboard.

PRESIDENT'S REPORT

Thanks to our new student rabbi, Joey Glick, for his enjoyable and interesting Zoom Kabbalat Shabbat sessions on Friday evenings at 6:30 PM. We plan to continue these sessions on Zoom for now as they provide an alternative service for those who are not ready for in-person services and also give Joey and the extended congregation a chance to interact and experiment with different forms of Jewish spiritual community.

We were pleased to have a minyan for our first live Saturday morning service, which went smoothly and generated some lively Torah discussion. Thanks to all for following the rules and social distancing. Thanks also to Betsey for putting up signs and to Kristi for cleaning and disinfecting.

I found it ironic that the ribbon that we used last year during high holidays to block off

seats and encourage people to sit closer together is now being used to keep people further apart. My hope is that, although we are physically more distant, we remain close together emotionally and spiritually and continue to engage each other with prayer, song and the exchange of ideas that Torah can bring forth from us.

Thanks to Larry Greenburg, Peter Kudan and Herb Levin for helping move furniture on our lower level to make way for our new tenants. BOCES has started their move and will be officially here as of July 1. Please refrain from using the basement facilities unless absolutely necessary so as to minimize disruption of their program and facilities. Of course, our library remains open and available to all congregants.

HOUSE MANAGER'S REPORT

We have had several newsworthy items to report on over the past several months.

We have finished replacing our inefficient shul lighting with cost-saving LED lights. We got an excellent discount on materials and labor, and you will see a notable difference when we return to normal activities.

We will be renting our lower level to BOCES in the coming year as a stream of income and to make better use of our beautiful facilities. Welcome BOCES!

Peter Kudan has volunteered to take over several duties of building and property management and has been a huge asset. Thank you Peter!

We also had some tree damage at our cemetery on May 29 as an F-1 Tornado hit the area. We are coordinating with the synagogue's insurance and arranging for tree clean-up and several headstone repairs. We will keep you updated.
