UNDERGRADUATE COLLEGE SCHOLARSHIPS

The Abraham & Eleanor Staff College Scholarship

\$4,040 grant available

The family of the recipient must reside in Albany, Schenectady, Troy, Saratoga, Glens Falls or immediate surrounding area. (If your family does not reside in this area, no need to apply.) The recipient of the award must be between the ages of 17 and 24. The applicant's parents must demonstrate financial need and show a copy of their most recent tax returns for the preceding two years as part of the application; each parent separately if they have not filed together. The applicant must have been raised as and consider his/herself to be Jewish, and display leadership qualities in general and Jewish activities.

The applicant must have a minimum GPA of 3.50 (or an 88 cumulative average) in high school and taken at least some Advanced Placement and/or Honors courses in high school.

Priority will be given to a student attending a college or university associated with the State University of New York, but if it is demonstrated that a student is receiving substantial financial aid to attend a private school or a state school in a place other than New York and still has financial need, that student may be considered for the award.

If the recipient continues to demonstrate financial need, maintains a cumulative grade point of at least 3.25 in college, and is on track to complete an undergraduate degree within four consecutive years, they will be automatically eligible to receive the scholarship each year for up to four years.

Interested applicants should submit the academic scholarship application form, a letter of application, high school transcripts, and any additional information the applicant wishes to have considered by the committee.
