Strengthening, connecting, and improving Jewish life

1. Forward Focus | Exploring Religious Diversity in Israel | 4-Part Series
Thursdays, March 4, 11, 18, 25 | 12:00 PM | Virtual | Free

Forward Focus is a four-part educational series that celebrates the incredible diversity of religious practice in Israel. Over the course of four days, experts, religious leaders, and changemakers will introduce us to some of the innovative approaches to Jewish learning and observance that Israel is home to today. Learn more and register here: www.jewishtogether.org/forwardfocus#join-us

2. Saving Lives: Suicide Prevention & Mental Health in The Jewish Community
Tuesday, March 9 | 7:00 PM | Virtual | Free

Suicide CAN be prevented. This evening will include AFSP's TalkSavesLives™ presentation that covers what we know about this leading cause of death, the most up-to-date research on prevention, and what we can all do to fight suicide. Participants will learn the common risk factors for suicide, how to spot the warning signs in others, and how to keep ourselves, our loved ones, and those in our community safe. A general Q & A will follow the presentation and members of JFS and Federation will be available to help answer any questions, especially related to the Jewish community specifically.
