DAVID JOSLIN**

Happy November/Hodesh tov  
Congregation Sharaay Tefila,

As we enter the months of November and Kislev, we have an exciting time ahead of us. On Friday November 5<sup>th</sup>, both religious communities will meet for a lovely, hybrid community Shabbat service. On Saturday, November 6<sup>th</sup>, our synagogue will gather together for Shabbat services as we read Parsha Toldot; student rabbi David Joslin will lead services and offer words of Torah. On Saturday, Nov. 27<sup>th</sup>, we celebrate and honor the B'nai Mitzvah of Lukhas Cohen, the grandson of Dr. Robin and Mitchell Cohen, as we learn about the trials and tribulations of Joseph and his magic coat in Parsha Veyeshev.

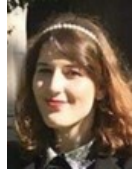

I would be remiss not to mention the major secular and Jewish holidays that pepper the November calendar, as I find them particularly resonant and interconnected this year. On Thursday, Nov. 25<sup>th</sup> most folks in the United States, across the religious spectrum, will cozy up to a Thanksgiving dinner, and beginning at sundown Sunday, Nov. 28<sup>th</sup>, Jews from all over the world will huddle together to celebrate the miracle and festival of lights as we offer humanity a little sparkle of hope with the first kindling of the Chanukkah candles. During this holiday season, we pause to give thanks for the everyday miracles in our lives. In particular, I want to highlight some modern inventions that have saved and sustained us over the last year; technology and medicine. Thanks in part to Zoom/streaming services we have been able to continue gathering as a community. Moreover, with the creation of a series of highly effective and safe vaccine options against Covid-19, many of us are now finally able to meet in-person; an impossible scenario this time last year.

Let us enjoy our modern miracles as we give thanks among friends and family this holiday season.

Chag Chanukkah Samaech,

*Student Rabbi David*

Dear Friends,

As we start the autumn, it feels as if the pandemic has been going on endlessly. A byproduct is boredom. There seems to be too much time to spend and too little to spend it on. However, time is limited. With so many things off the table, allow me to present three suggestions for how to make the pandemic-created spare time the most meaningful:

1. Do something you have always felt like doing? Whether it is playing the piano or learning how to salsa dance, the pandemic has given us some extra time to pursue a long-lost passion.
2. Get in touch with someone you miss or don't yet know. The pandemic has led to a sad increase in social isolation, particularly for those over 65. It has also provided a remarkable opportunity to rekindle lost friendships and reach out to other people. Utilize the technology you have at your fingertips, or go old-school and handwrite a letter.
3. Do something kind for someone who needs it. Particularly in this time of the pandemic, there are so many people who could use a helping hand or a random act of kindness. Helping them, in addition to being a great Mitzvah, is a tremendously fulfilling gesture. Not only will you make someone else's day brighter, but you'll also brighten your own.

I hope that these suggestions bring you great Spiritual fulfillment and joy. Even if life can sometimes bring challenges, putting our best foot forward gives us the very best chance to meet them.

I wish you all a Chodesh Tov and Shabbat Shalom,  
*Shula (Lucy) Passaro*

Thanks to all of our veterans in light of Veteran's Day (and any time of the year)!

We look forward to a Simcha in late November. Watch for the date and more information about the Cohen's grandson, Lukhas' day.

We are still trying for a Sisterhood meeting before Thanksgiving.

With Thanksgiving Day approaching, let us think about the many reasons to be thankful and grateful.

Enjoy the first few nights of Hanukkah in late November with family and friends. Safely celebrate the Menorah/Hanukkiah candles all aglow.
