JULY 2025

TAMMUZ—AV

5785

**PRESIDENT MARK
HOFFMAN**

As I write this message, Israel is battling a hostile, theocratic Iranian regime that is intent on obtaining nuclear weapons and on the ultimate destruction of the State of Israel. We pray for a rapid resolution to this conflict that leaves Israel strong and secure. At the same time, we hope for an end to the war in Gaza that brings Israel's hostages home and assures that Gaza will never again be used as a launching pad for attacks on Israel.

Here in Glens Falls, we continue building our Jewish community with weekly Shabbat services and kiddushes. Starting Saturday, July 19, we will hold weekly beginning Hebrew classes. The topics and level of study will depend on the students present, but my intent is to make sure that everyone who wants to learn Hebrew from the start has a path forward. The goal is to make classes fun and touch on subjects of Jewish interest. We will meet after kiddish but students are welcome to join us for our kiddish luncheon at noon.

As many of you are aware, we just replaced the roof at Shaaray Tefila, along with the roof insulation. Thankfully, the leak we were experiencing has now been resolved. This was a very expensive undertaking. Please keep our increased expenses in mind when considering your charitable donations this year.

**SISTERHOOD
GREETINGS & NEWS**

July 2025 / Tammuz - Av 5785

Shalom from your friends in the North Country.

As we move into the hot, balmy days of Summer, we look back on a busy year of holiday celebrations and congregational events. We look

forward to some exciting changes ahead and more shared programs. July 4th is a joyful American holiday, commemorating the independence and birth of our great nation. The Hebrew month of Tammuz is a quiet month as far as holidays but we do celebrate four holy days of Shabbat this month. We also begin our spiritual preparations for Tisha B'Av and the Fall High Holidays.

On Friday night, July 18th at 6:15 PM, Congregation Shaaray Tefila and Temple Beth El will be sharing a Shabbat service and a Potluck Barbeque at The Quarry House, thanks to Bill Brender and a donation from Laura & Elizabeth Fram. The address is 138 Upper Platt St. in Glens Falls, just off of Dix Ave. We've put in an early request for perfect weather for the occasion. Please bring a pareve dish to accompany grilled, kosher hot dogs and hamburgers, some outdoor games and an expectation for a fun evening.

We welcome both members and non-members to our weekly Saturday morning Shabbat services to share in beautiful prayers and interesting Torah study. Please consider coming at least once a month to help make the minyan? You will also enjoy a delicious Kiddush! Sisterhood wants to thank the many generous people who sponsor an Oneg or Kiddush for the Congregation. We offer different selections of meals of varying affordable costs. We thank you for volunteering your time and donating extra food and beverages. We also want to thank the volunteers (you all know who you are) who always provide tremendous assistance to Sisterhood and the Synagogue by helping with all the Onegs, Kiddushim, Holiday Meals and Mourner's Meals. A special thank you to Joe Hoffman, who prepares our delicious Shabbat Kiddushim.

Many thanks to the June sponsors who made our Shabbats even more special: An anonymous sponsor, Herb Levin, Sisterhood, Congregation Shaaray Tefila, and JC Patrick. Thank you again for your Sisterhood donations, which are always appreciated.

Please support our gift shop for your various gift-giving or holiday needs. We have many lovely

pieces of Judaica jewelry and holiday items for sale. Contact Bonnie Yanklowitz at 518-222-5624 with any questions. Gift certificates for the gift shop or for Sisterhood Membership are available in the office.

Special July birthday and anniversary wishes to our Shul, Temple and Sisterhood members. Mazel Tov to Dan Shaham (70), Lorraine Hochman (70) and Ellen Katz (72).

Please keep our members, friends & families in your prayers. We pray for Safety, Peace, Strength and Good Health! Healing thoughts and prayers to synagogue, temple members and friends. Refuah Shelaima, Get Well/Heal Quickly!

We continue to pray for the release of all the hostages and for the safety and security of our Israeli brothers and sisters. We pray for a permanent peace accord for our beloved State of Israel.

Stay safe and healthy!

Shalom!

Ellen Katz, Sisterhood President

GREATER GLENS FALLS HEBREW SCHOOL

Shalom to all!

As I write this, the 2024-2025 Hebrew School year has just come to an end. I am so happy to say that, as predicted, it has been a wonderful year. We celebrated our holidays with lessons tailored to the students at each grade level with the care and thoughtfulness of our teachers. We honored Jewish life with food projects like hamantaschen and rugelach and we curated a program that allows students to get personal attention and create lifelong friendships with other Jewish children.

Our year ended with some very special events. Our last Hebrew School session of the year ended with our Annual Cemetery Clean-Up Project. This project included fellow Temple members to not only beautify our cemetery, it also educated our students with a Kaddish service for all those buried in the cemetery. We had our final family service of the school year with prayers, songs and poems. This service included participation and representation from all who are part of our school this year. We wrapped up the year with a pizza party which included certificate and gift presentations which

highlighted both school and individual achievements.

I am already in the process of planning for next year! I'm looking for ways to enhance our Hebrew program and of course look for even more innovative reading, writing, music, art and food projects that bring joy and Jewish education to all students. Summer is an exciting time for me to converse with Hebrew School colleagues from all over the country and gather new educational tools that continue to cultivate our unique program. If you have any suggestions or would like to volunteer to lead a special program for our school, please reach out!

I must recognize our amazing teachers for their dedication and love of teaching: Deby, Sharla, Sofia and Mattea. Our teen aides Isaac, Tanis, Molly and Eric are always willing to lend a helping hand and work on any project. We also had so many volunteers this year but a special kudos goes to Wendy McCreight who came from Manchester, VT to lead a program called, "Hunger is Hard, Baking is Easy," where food was donated to food pantries. In addition, we were so honored to have Temple member Phyllis Brown design and lead our students in creating a beautiful Tikkun Olam (Healing the World) mural on our school walls. We are blessed to have so many people that give their time and love to our school.

Thank you all for continuing to support our school now and in the future. I hope everyone has a beautiful, safe and peaceful summer!

L'Shalom,

Rebecca Charhon

HERMAN T. STICHMAN

By Dave Nathan

Ever wonder about the man whose name is on the 11-story Herman T. Stichman Towers adjacent to the Civic Center.

He is the Glens Falls native, born in 1902, who, after brilliant academic achievements capped

by graduation as first in his Yale Law School class, carved out a spectacular public service career mid-century - including a more than 10 year stint as New York State Housing Commissioner - as an appointee of Governors Thomas Dewey and then Nelson Rockefeller.

His parents, Max, and, Belle Wanda, were members of Congregation Shaaray Tefila, as well as his sister, Anna, and her husband, Joseph Yanklowitz. Over the years, Herman attended services with his family and is buried in the Congregation cemetery.

“Herman Stichman had a relentless goal of ensuring equitable housing opportunities for blacks and other minorities,” says Maury Thompson, a North Country historian who has studied his career.

Adds Thompson: “He also championed public-private collaboration in low-income housing, mainly to stretch limited funding. But the concept also minimized ongoing criticism from private developers that government was unfairly competing with private enterprise.”

When Stichman died in 1967, his New York Times obituary pointed out that, as State Housing Commissioner from 1944 to 1955, he pushed through a rule that “all state-aided housing projects reserve at least five percent of the units for the aged.”

Queensbury resident Gail Slawsby Hamel, Herman’s great niece, adds a personal note. (Hamel is Stichman’s sister Anna’s granddaughter.) “He loved the outdoors, he was a fitness buff,” Hamel says. “He swam a lot, he skied, he jogged.” The New York Times obituary pointed out that he also boxed in college; at Glens Falls High School, graduating in 1919, he was a guard on the basketball team.

His father, Max, a tailor, and mother, Belle Wanda, both had come from Poland and lived on Big Cross Street. At Glens Falls High School, Herman finished among the top 10 students, and besides his basketball activities, he was in school plays, worked on school publications and even served on a junior fund-raising committee for the YMCA. Historian Thompson notes that he was selected to be a commencement speaker at his 1919 graduation, just after World War One, with a topic of “American Patriotism”.

Stichman blossomed even more in college: he started at Syracuse, then transferred to Yale, where he was Phi Beta Kappa. He was not only tops in his law school class at Yale but also was editor in chief of the law journal.

At one point, he worked for seven years as an attorney in private practice with a major New York

firm, but most of his career was spent in public service. Besides his long stint as Housing Commissioner, he was an Assistant U.S. Attorney for the Southern District of New York, Assistant District Attorney for New York County and an investigations commissioner, mainly as a Governor Dewey appointee.

Later, under Governor Rockefeller, he was named as a high profile “special investigator”, heading a 26-person staff that, according to the Times, dug into, and spearheaded reforms, for several “cause celebres.” They included a New York City housing scandal that involved a system where school custodians amassed incomes far above their salaries; a case of unsanitary conditions in a women’s house of detention, and the five minute acquittal by Judges of a another Judge’s son who was charged with drunk driving and leaving the scene of an accident in the Bronx that left five people dead.

It was several years after Herman Stichman’s death that the housing complex that bears his name was completed. Shawn Joseph, a housing representative at the Glens Falls Housing Authority, says that Stichman Towers today provides independent living for rent -subsidized low income seniors in 82 units.

The writer is a Glens Falls native now living in Bethesda, Maryland. His father, Sam Nathan, was a long time member of Shaaray Tefila.
