Chevra Kadisha & Community Building: A Hands-on Taharah Training

Step into the heart of a unique and sacred Jewish end-of-life tradition with this in-person taharah training. Taharah, the ritual washing, dressing, and preparation of the deceased for burial, is one of the most sacred acts in Jewish life. This workshop, led by skilled trainers from Kavod v'Nichum, will offer both teaching and guided practice, giving participants the opportunity to learn and experience each step of the ritual in a supportive environment. No prior experience is needed, just a willingness to learn and engage with this powerful mitzvah of care and compassion.
