**The Jewish Federation of Northeastern New York**, in partnership with the **Foundation for Jewish Camp**, is pleased to offer access to **One Happy Camper**—a national incentive program that helps families **experience Jewish overnight camp for the first time**.

Eligible families may receive a **$1,000–$1,500 grant** toward their child's first summer at Jewish overnight camp.

Jewish overnight camp builds lifelong friendships, strengthens Jewish identity, and fosters a deep sense of belonging—creating impact that lasts well beyond the summer.

**There's a perfect camp for every Jewish camper. Find yours today at ONEHAPPYCAMPER.ORG**
